MEMORANDUM FOR: [REDACTED] Acting Chief, Payroll and Travel  
FROM: [REDACTED], Office of Scientific Intelligence  
SUBJECT: Outstanding Balance

1. Enclosed is a check in full settlement of my final outstanding balance due as per our telephone conversation and your later visit of today.

2. I am forwarding a cashier's check for this sum with myself indicated as payee thereon. I would desire you to hold this in escrow until my full claims are settled--claims which completely cover the amount in question. Thus, formally speaking, I am tendering this outstanding balance under protest.

3. I would consider that the check enclosed herewith is a full representation of every evidence of good faith on my part, but at the same time consistent with the retention of my own equities in this matter.
